keep it out, essentially. It could require the application met agronomic rates, but, as long as they had the land in the watershed that could accept waste at those rates, there's nothing that DEQ could do about it. And so if you wanted to leave it all to DEQ, then you might as well not have this bill altogether 'cause, after all, if a new facility's built within the watershed DEQ could regulate land management and the application of waste to the area. So if you believe in the bill and what the bill's trying to do and in being fair to individuals inside and outside the watershed, I think this amendment will make a lot of sense to you. Thank you.

SENATOR SCHIMEK: Thank you, Senator Beutler. The question is the adoption of the Beutler amendment. All those in favor vote aye; all those opposed vote nay. Senator Beutler.

SENATOR BEUTLER: Senator Schimek, it looks like I may as well ask for a call of the house and a roll call vote, please.

SENATOR SCHIMEK: Okay. Question is, shall the house go under call? All those in favor vote aye; all those opposed vote nay. Record, Mr. Clerk.

CLERK: 27 ayes, 0 nays to place the house under call.

SENATOR SCHIMEK: The house is under call. All members, return to your seats. Yes, Senator Bohlke.

SENATOR BOHLKE: Yes, I would request it be in regular order.

SENATOR SCHIMEK: Regular order on the roll call vote. Thank you. Senator Jensen, would you please return to the Chambers, and Senator Chambers, would you please return to the Chamber. Senator Chambers, would you record? We're all here, Mr. Clerk.

CLERK: (Roll call vote taken. See pages 1248-1249 of the Legislative Journal.) 19 ayes, 18 nays on the amendment.

SENATOR SCHIMEK: The amendment is not adopted. The call is raised. Mr. Clerk, do you have items for the record?

CLERK: I do, Madam President, thank you. Your Committee on
